

REMARKS

The recognition of allowable subject matter in claims 36-38, 40 and 43-59 is gratefully acknowledged. Reconsideration of the rejection of the application is respectfully requested based on the amendments and following discussion.

OBJECTIONS

Claim 65 was objected to for a grammatical informality.

Claim 65 has been cancelled.

REJECTION 102:

Claim 65 was rejected under 35 USC 102 as anticipated by Byrne (US 5,561,346).

Claim 65 has been cancelled.

It is believed that a full and complete response to the Office Action has been made, that the Application as amended is patentably distinct over the cited art, and that the case is now in condition to be passed to issue. Reconsideration of the amended application is therefore requested, and an early favorable notice of allowance is courteously solicited.

Respectfully submitted,

By: William E. Meyer.
